5. The Golf links at Lal Bagh was terminated on the ground of (1) want of Govt. sanction at the very inception & (2) public inconvenience owing to the peculiar arrangement of the drives.

6. The oral request of Mr Davis for a new Golf link in the Cubbon Park was informal in character and it did not specify any locality therein. There was no definite scheme of Golf link then before the Govt. Besides, Mr Davis & others had no habitation in the Cubbon Park and many questions as to grant of sites to private & public bodies in the Park were pending before the Govt. then.

Final Note by the First Member of Council.

Subject:— Request of the Secretary, Century Club, for permission to lay out a golf course in the Cubbon Park.

Paper under disposal

The Honorary Secretary of the Century Club, Bangalore, has applied to Government for permission to lay out a Golf Course in the Cubbon Park and has forwarded a drawing showing the position of the proposed course. He states that the drives are all so arranged away from the road as not to cause any disturbance to the passers-by.

2. On a former occasion viz., on the 12th November 1915, Mr. Davis, Manager, Messrs. Spencer & Co., Bangalore, and three other gentlemen made a personal representation to the Dewan that they might be permitted to open new golf links in the Cubbon Park as there was a probability of the Golf links in the Lalbagh being disturbed; but their request was not complied with.

3. It may be pointed out that the circumstances under which the Century Club has made its request are quite different from those that were present when Mr. Davis and the three other gentlemen made their request.

4. The matter was discussed in Council and they are of opinion that permission to lay out a Golf Course as per plan received from the Secretary of the Century Club may be given as a temporary measure for a year subject to the conditions specified in their resolution dated 30th April 1917 of which a copy is appended.

General Department.

S i r,

By desire of the Executive Committee of the Century Club, I have the honour to address you on the proposal to lay out a Golf Course in the Cubbon Park. The site granted to the club measures about 8 acres and is too narrow for a golf course which should be laid out, if at all, in the surrounding portions of the Cubbon Park. I enclose herewith a drawing showing the position of the course as prepared by the club. It will be observed that the drives are all arranged away from the road so that no disturbance is likely to be caused to the users of the road who, it may be added, form a small number. Should any such inconvenience be actually experienced, however, or should the Government for any reason consider the existence of golf links in the locality inexpedient, the club will be prepared to relinquish the same unconditionally. In these -- circumstances, I am to request that permission be kindly granted to the club to lay out a golf course in the manner shown in the accompanying
